PHOENIX Farmacija d.o.o.

Vaš partner za logistička rješenja u farmaceutskoj industriji u Hrvatskoj i šire
Your partner in Healthcare Logistics in Croatia and beyond

Novi distribucijski centar Jankomir

U suvremenoj, niskoenergetskoj zgradi nalazi se novi logistički centar Jankomir.

Na 1 600 m² najmodernijeg prostora nudimo uslugu skladištenja i distribucije u skladu s najvišim industrijskim standardima.

Skladište je opremljeno centralnim HVAC sustavom te nadzorom temperature njemačke tvrtke TESTO.

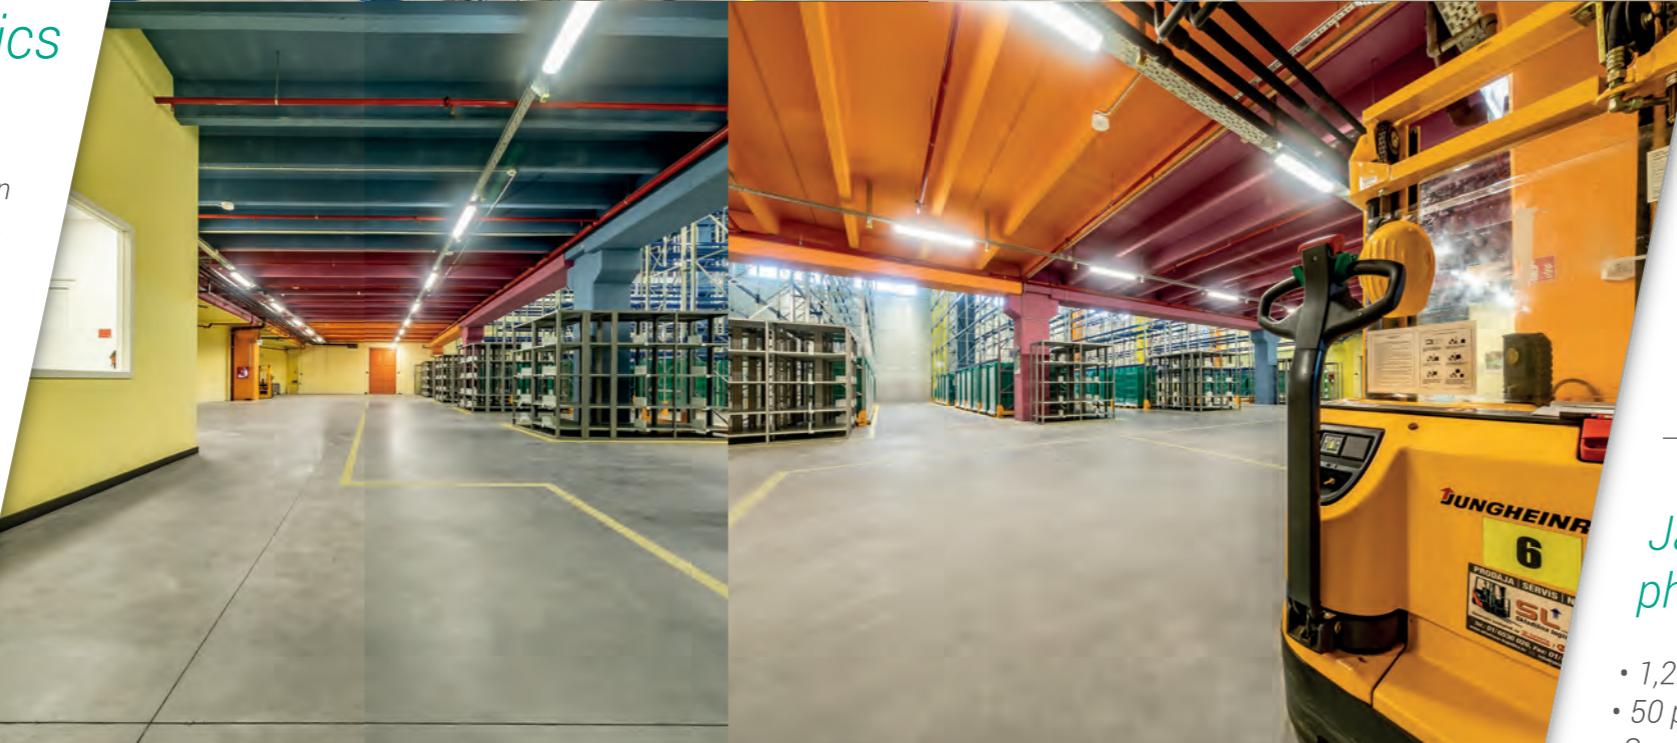

Distribucijski centar Jankomir vaša je adresa za logističke operacije!

New Healthcare Logistics warehouse Jankomir

The new logistics center Jankomir is located in the modern, low-energy consumption building. At 1,600 m² of state-of-the-art facility we offer warehousing and distribution services in accordance with the highest industry standards.

The warehouse is equipped with a centrally controlled HVAC system and temperature monitoring system by TESTO of Germany.

Logistics Center Jankomir is your address for logistics operations!
